## Newsletter Addon for PHP Nuke

Hits: 6,443

**Description:** This is a newsletter addon for your PHP-Nuke Site. The users can subscribe and unsubscribe and get a confirmation message for subscribing. Language files in german, english, spanish, swedish, traditional chinese, french, dutch, norwegian, polish. Usable for PHP-Nuke 5.x. Text and HTML newsletters and an advanced admin section. All send newsletters will be saved with date, time and users, and you can also view your subscribers. Finally integration in the normal admin menu.

Insert alternate email sender for the newsletter. Insert stories and banners from your site in the newsletter.

The Newsletter Module works with Nuke 6.5-7.x. If you use an earlier version you can mail me for an old version of the Script - which has less features.
