php Lance

Hits: 3,557

Description: phpLance helps businesses find sellers for php scripts they need for their site. It allows them to find the professionals they need at the lowest possible prices. When you post a project on phpLance, Sellers essentially compete for your business by bidding on your project much like an auction. There is no up front fees at phpLance. You can deposit money in several different ways (credit card, check, etc.) and sellers can withdraw money in many ways too, which means you don't have to worry about payments.
