GuestBook*Star

Hits: 2,932

Description: Guestbook*Star is a software tool that lets you create a guest-book and its CGI with no programming experience. Features: Create your own guestbook with original fields or choose from four pre-designed guestbook templates (Personal, Social, Academic, Professional); Convert an existing guestbook style form into a fully functional guestbook on your website; Email notification for every guestbook entry; Customisable background, colour, title and fields; Automatically add the user to your mailing list; Send a personalised thank you note via email; Specify mandatory fields; and more.
