# Task Manager

Hits: 2,267

**Description:** Organizes your list of assignments. Unlimited administrators, create tasks with instructions and comments, and have notifications automatically sent to assigned staff members. Selected staff may then log in, read about the new task, add to comments and change the current status of the task. Add your own custom statuses or stages for tasks. Optional cron executed reminders of completion dates. This one's huge time saver.

## Resource Specifications
