Flash News Scroller Wizard

Hits: 7,897

Description: Flash News Scroller Wizard is a tool that allows you to design your news scroller in a few minutes and instantly see the results. Flash News Scroller is a highly configurable vertical text scroller and vertical news ticker. Creating the text scroller will take a few minutes using the Flash News Scroller Wizard. Flash News Scroller allows you to change the font color, size, face, style, the background color, speed, the margin height, add URLs with highlighting and more.
