Affiliate Manager

Hits: 5,690

Description: Allow your current clients to market your products and services for you. Using an affiliate program gives your existing customers a way to promote your products while receiving compensation for their efforts. AM makes it easy for your business to begin such a program for your clients, easily and cost-effectively. All copies of our software are individually customized to the needs of our clients. Contact us today for a free consultation to see if AM is right for your needs. Integration with ModernBill and osCommerce make this a powerful offering.
