Lazarus Newsreel

Hits: 2,740

Description: Publish news articles on your web site with ease, simply by filling out a form. Keeping your website current is now a trivial task. Suitable as a complete web logging package

A database of articles is maintained and published via the templates that you provide. Will run on nearly any UNIX host that allows system executables for CGI scripts. The Lazarus weblog Lazarus Notes is maintained with this same package. Anti-spam features keep robots from harvesting author e-mail addresses.
