# InstaPics

Hits: 5,376

**Description:** InstaPics allows you to create a web based "image gallery" for your site, allowing your visitors to upload their own images. This can be used for a number of purposes, from a private gallery among friends to a public, free-for-all image library, to the foundation of a TGP site. Features 100% templates and allows you to limit the size of uploaded files.
