Advanced Banner Rotation Software

Hits: 5,688

Description: The Advanced Banner Rotation software enables you to display all your adverts in just one area of your page. No longer will those adverts swamp your real content. This software has been designed to add real efficiency to your web page. It will load all your banner adverts and rotate them in a single area of your page whilst your visitor is viewing your page. Confine all those adverts to a single area, leaving room for the real content of your page. Free Trial and Source Code available.

Resource Specifications
