Peeptin the minigame

Hits: 4,802

Description: This tiny puzzle game, a version of the classic "15" puzzle toy, is only 130 pixels wide, so it will fit into any page's sidebar! It's absolutely free - just paste the code provided into any HTML page, and it works with all the modern browsers. Give your visitors a reason to come back - with thousands of possible combinations, no two games are ever the same.
