Chipmunk Guestbook

Hits: 4,128

Description: A nice-looking guestbook and admin panel for guestbook. You can delete entries, modify looks, and ban certain Ip's from posting. Smiley icon support included. Support for BBCODE's hyperlinks and images have been added and the newest version has a completely new admin panel with admin option to edit entries. The new supports supports stylesheets and a new image verification for posting.

Resource Specifications

Version:	1.41
