Flashy Video Audio Communicator 1.4R Hits: 5,146

Release

Description: Using Flashcom real-time streaming technology on server-end, and Flash MX on client-end, this application will bring to your site a unique Video Audio interface that attracts web visitors like nothing else.

Your visitor can register as a Host to broadcast her video and voice, or register as a Guest to talk with online Hosts. You then collect chatting fee through Paypal.
