webDate Live Chat Plugin

Hits: 7,402

Description: The Live Chat plugin, a complement to the Instant Messaging feature in webDate allows you to provide a complete chatroom experience for your members. With the ability to toggle its use between registered and nonregistered users, you have the option of making this a premium (paying members only) or free for all option. The Live Chat plugin features complete public chatrooms with a full list of people within the room, private messaging between members, buddy lists to see any buddies that are online, and private password protected chat rooms. Keep up with major competitors with this fully-featured plugin!
