# HTML Code Guru Pro

Hits: 1,043

**Description:** Hixus HTML Code Guru Pro lets you get target html page faster, always and not only as "pure" html code. You can see how exactly target page is processed by the browser, what happens when some java scripts is started, the different elements of the page (links, meta-tags ets.) You may trace http exchange between your PC and remote server to see how exactly the page is loaded. In addition you can edit code retrieved with integrated HTML Editor.
