## Free Web Polls - Image and Text : Rating and Polling Hits: 2,605

**Description:** We offer easy to integrate polls for your WebSites and Emails. The focus in our approach is to create Simple and Easy to integrate polls without need for programming or special hosting environments. All you need is the ability to insert simple HTML code into your web pages and emails. If you want to customise the report pages, our web interface allows you to upload your logo and specify your site looks and provide the visitor a "look alike" page that gives him a feeling of continuity.
