Description: Free web directory with no banners, no CGI codes, your own branded and fully customizable layout that fits into any internet or intranet web sites and can be installed within few minutes. No web site would be complete without a search engine. Paste 3 lines of HTML code into your web page, and you'll get a web directory of 3.8 million sites in more than 460,000 categories, everything is on your web site. Increase you visitors and make them come again and again to your web site. You have the option to have a directory with or without ad banner.
