Teraway LiveHelp

Hits: 1,612

Description: TERAWAY LiveHelp is a live customer support software for your site that enables visitors to communicate with your sales representatives in real time through web based chat. By delivering live support your site visitors don't have to leave your web site, or wait for an email reply to get answers to their questions, they just click a live help button and are connected with one of your customer service representatives. Your company representative then assists the visitor by providing information, links, graphics, or even guiding the customer through your web site. TERAWAY LiveHelp is the perfect Live person alternative at a fraction of the cost!
