e-gold mass payment script

Hits: 2,638

Description: E-Gold now is becoming a very popular payment method, webmasters pay affiliates, affiliates pay subaffiliates and so on. With this application script you can have an online service that allows members to post hundreds of thousands of payments that can be performed in seconds.

We have recently seen a site that is offering mass payments for 0.002 per transaction. Well, imagine if you and/or any of your visitors own a HYIP site and needs to make some 50.000 daily payments...

100% AUTOMATIC, all you have to do is counting funds in your E-Gold Account.
