SFEPoker

Hits: 3,490

Description: SFEPoker is a simple online video poker game. It's fun and addictive, but is not set up in any way for real money to be involved. Break even on Jacks or better, or try for a royal flush: you get 100 points to start with, and if you lose it all, you'll get 100 more. A fun way to let your site visitors waste some time.
