The admin has a bug where you can't change the password and the thumbnails do not upload and show.

I have the pro version and am still waiting on an email back for help.

Dont even come close to those people., May 23rd, 2005

WORST and UGLIEST service i have seen in my whole life. Those people are money hungry. It takes more than a week for them to reply and they are the rudest i have ever seen. I am going to spread this all over the internet. People just stay away from softbiz. Softbiz you may go bankrupt. Your software is UGLY as well.

First off, after purchasing the product from their site, they display a page saying the code has to be manually modified before they will send you a download or link. I never got it and purchased from a competitor instead. They were very RUDE! Wouldn't process a refund so I had to file a claim via Paypal, eventually getting my money back. Buyer beware.
