Kam 5 Diary

Hits: 1,838

Description: Kam5 Diary is a powerful, hosted web dairy service that gives its members the richest set of features to immediately build a online diary book on the Web. We allow the users write their dairy privately--It is only you who can get access with your diary entries.

With the Kam 5 Diary system , there's no installation or configuration required. Your online diary book and all the tools are managed by our system. We expands online diary book service to include integration of text, photos and other media content. The combination of simplicity and comprehensive features will make Kam 5 diary the first tool that will empower users, beginners and experts alike, to reach the full potential of the web dairy medium.
