# Copysafe PBV

Hits: 1,169

**Description:** If you are worried about Screen Capture and PrintScreen you will need Copysafe. PBV runs from any Win/FrontPage web site enabling visitors/members to upload images directly from their hard drive. It is fully compatible with FrontPage, databases, shopping carts and e-commerce gateways. Accounts can be established for members to upload with an admin for monitoring usage, modifying templates, adding extra content and logos. Licensing includes full installation by ArtistScope.
