Unique Clickthroughs

Hits: 1,012

Description: Offer your surfers an incentive to pass around your website with your own pay per click program! You specify the amount to pay your affiliates per Unique click and when to pay them (When account reaches a certain amount). All affiliate info is stored in a database and can be accessed through the webmaster admin. Affiliates can access their personal stats (Unique clicks/payout)through the user admin as well as change/update their mailing address. Program counts different IP's (where the hit is coming from) as a unique so the same clickthrough is not counted twice!
