# CoffeeCup Flash Firestarter

Hits: 1,072

**Description:** CoffeeCup Firestarter is a fast and easy way to make Flash effects for your Web site. It can create complex text and image effects with only a few clicks of the mouse. You can make splash pages, navigation systems, graphic logos, and much more. Firestarter has more than 50 built-in, ready-to-use effects, including Assemble, Explode, and Fade; a collection of cool MP3 sounds; a built-in sound editor for fades, echo, and reverse; and more.
