Great, Simple Service, Jan 9th, 2007

I've used AllForms for a long time now (about 3-4 year), and I've always been very pleased with the clean and simple service they provide. The admin interface is easy to navigate, and you can even log-in to tweak your already created forms.

I really have little negative to say - give them a try and I'm sure you won't be dissappointed :)
