# Maxtricity Tagger

Hits: 2,875

**Description:** The Maxtricity Tagger is a small ASP script that includes 3 pages for use, an Access Database for data storage, and a folder of smiley images. With this script, users can post small messages on your website for other users to read and respond to. It includes an admin section to edit and delete messages. It is very easy to integrate into an existing user or admin system. Hope you enjoy it!
