MidasPhoto

Hits: 1,268

Description: MidasPhoto makes organizing, editing and sharing photos quick and easy. You can also turn your photos into stunning photo Websites, instantly. Find any photo by date. Make simple edits: crop, rotate, reduce red eye. Automatically optimize photos for emailing, and send entire photo albums in one file.

Easily organize your photos into albums so you can find the pictures you want without having to look through files and folders on your machine.
