## Diesel Joke Site

Hits: 2,655

**Description:** A joke site like no other. Comes with a pre-made database of over 700 Jokes. Your visitors can rate the jokes or funny pictures and even add their own. The script also includes a powerful administration area where you can set the banners and manage the entire website. Diesel Joke Site can also be used to run a Joke SMS subscription service.

Take advantage of the online demo we have set up for you.

Dont bother with this one guys its a waste of money.... AUTHOR does not respond to any support emails sent but gladly takes your money..... I couldn't manage to get the script to work (installer didnt work), ran the sql file in PHPAdmin which created the database but after that some pages dont read the database and cud'nt login to admin area nor does it state anywhere what the error is just reloads the same page...
