PayPal Nuke

Hits: 1,531

Description: Our AlloPayPal modules offer you the possibility to make your entire website a pay site, or only parts !

Think about your forum, your downloads, member access..... Any of the standard PhpNuke modules can be rendered pay access only, very easily, with our custom made module : AlloPayPal !

With credit card access, it's up to YOU to decide the price for your site/pages/files !

The module is controlled by the Data Base, and the member subscriptions are controlled by PayPal. When the members account has reached the end, he has no more access to your Member Pages ! THAT'S IT !

Now with COMPLETE PhpNuke Membership Subscription Mode INTEGRATED ! And an online Admin Demo is now available ! Try it, before you buy it !

Resource Specifications
