Strong Arm Data Encryption

Hits: 538

Description: Do you have pictures, video or music on your web site that you've licensed? Maybe you've created original graphics or other multimedia files that you would like to protect? Strong Arm will digitally encrypt any information you choose into your file. Quick, easy and effective, Strong Arm will take what you type and encrypt it into your files. Supports a massive list of file types. You can encrypt copyright info, licensing info, plain text, instructions or anything you can think of. Download the free trial to test it.
