# System Cop

Hits: 795

**Description:** System Cop is a universal, flexible and powerful tool for tuning and optimizing the work of the Windows operating systems.

System Cop allows you to change a great number of standard and "hidden" (which are not available for editing by standard Windows tools) settings of the Windows operating systems. System Cop is a "control center" of your system ! With this tool you can change the settings of your system centralized from one program only.
