#1 Web Position Gold Platinum

Hits: 1,023

Description: SPECIAL BONUSES OFFER WORTH \$227 WITH THE PURCHASE OF WEBPOSITION GOLD OR PLATINUM! Web Position Gold Platinum 3.5 supports more Search Engines! Support for over 100 new search engines has been added to the Reporter and when applicable, to the Generator, Submitter, Page Critic and Traffic Analyzer. This brings Web Position's total to more than 200+ engines. Whether you were looking for more global search engines, or wishing to optimize for audiences in other countries, WebPosition Gold Platinum 3.5 will help expand your reach. More visibility means more traffic to your Web site. If you don't have a top 10 search engine optimization, Web Position Gold Platinum 3 will get you one! Web Position Gold 3.5 has integrated WebTrends and WordTracker Keyword functionality into the standard tool set. The Graphical User Interface is completely redesigned for easy use and added functionality. The Web Position Platinum 3.5 Upgrade provides the Platinum tools Meta Manager, Link Defender and Code Defender. The Platinum upgrade also provides 25 additional Search Engines including Google Adwords, Google Groups and Shopping Search Engines such as Froogle. Web Position Gold Platinum 3.5 is a "Must Have" tool for every webmaster and website owner. New Version 3.5 Features WebPosition SmartReports™ (Professional Edition Only) SmartReports gives you complete control of your data by making your information available in Microsoft® Excel®. Trending and graphing is made simple through built-in Excel wizards. (Requires Microsoft Access & Excel) Quick Start Reporter Wizard Use the new Quick Start Wizard to set up your ranking reports in less than two minutes. Google™ Web API Support We now provide the option to use your Google Web API account to query Google.
