Web Ring And Template Based Site Multiple Use

Hits: 2,214

Description: WEB RING FEATURES:

The webring website allows you to create a network of websites that all share a theme and link to one another. A webmaster of a site that fits into your network, registers as a member. The admin can then approve their link and the webmaster places the webring code on their site, sending you traffic as well as all the other members of the webring.

Auto Generated Ring Code
Admin Edit/Delete/View Members
REVENUE DETAILS :

Use the webring to promote affiliates, sell advertising space or promote your own websites.
