Co-Registration System, CoregMedia

Hits: 600

Description: CoregMedia is a highly evolved end-to-end co-registration and lead generation network for online publishers and advertisers. Our network has generated millions of leads for businesses who enjoy the benefits of our turn-key platform and "second-to-none" data quality standards.

Our client list includes Fortune 500 companies like Proctor & Gamble, Verizon Communications, Citigroup, Wal-Mart Stores, and EBay as well as hundreds of other small and medium size businesses. CoregMedia is produced, owned and operated by Trancos, Inc.
