4NT

Hits: 694

Description: If you are frustrated by the limitations of the Windows command line, then 4NT is the one command line tool you truly need. By adding thousands of features that Microsoft omitted, 4NT makes the command line easy to use, giving you more power and flexibility than you ever imagined. 4NT replaces the Windows command processor, (CMD.EXE) the brains behind your command prompt.

Resource Specifications

Version:	6.01
