SITE PRO : FREE Website Rotator Service

Hits: 1,104

Description: SITE PRO Web Rotator is an optimum FREE service that allows you to put all your affiliate websites or your own websites and promote them with just ONE url. The registration will take just 1 minutes and it's TOTALLY FREE. After your signup you will see the control panel where you will insert all your websites. You can control the weight for the rotation of these websites. This means that you can set which of these URLs will be displayed more often or less often. There is no limitation to the websites you can enter. This is a 100% FREE and UNLIMITED URLs service. Already 2785 members (counted on 22-Sep-2004)
