Auto Photo Gallery Pro

Hits: 3,136

Description: Description

Auto Photo Gallery Pro is a platform independent, web-server-based software that fully automates the process of publishing, maintaining, viewing, and marketing your web-based multimedia gallery. Say goodbye to the tedious, time-consuming task of manually creating thumbnails and HTML pages to display multimedia on your site. Whether you have a few hundreds to hundred of thousands of photos, Auto Photo Gallery Pro will help you create a thumbnail and static HTML pages necessary for your users' viewing.

Features

- Works with both Unix and Win32 Web Servers.
- Support any numbers of photos.
- Support only photos in JPEG format (.jpg, .jpeg)
- Online configurations. No messy files to edit, ever!!
- Program is very easy to use.
- All actions are optional and customizable.
- Design of gallery is regulated by templates.
