**Description:** If any of following things happen in your cyber cafe then you really need Webcafe Software: 1. I think My Employee, who sits in cyber cafe does not tell me the exact money collected through out the day. 2. Some one Deleted windows system files and I had to sit and re-install windows. 3. I want to Ban surfers visiting the X-rated sites 4. I want to easily manage Walk-in (Post Paid) customers and Members (Pre Paid) Customers.
