Icon WAG graphing class

Hits: 1,790

Description: This class uses Web Assist to generate graphs on the fly. We've found Web Assist to be a good graphing tool for clients where jgraph and other tools are unavailable. Since it uses FLASH to generate charts, its platform independent. Our class makes it PHP-savvy too. To obtain WebAssist, visit www.webassist.com.

Resource Specifications

Version:	1.
Platform(s):	linux, windows, freebsd, osx, sun
Date Added:	Oct 24th, 2004
