A Low Cost P2P Betting Exchange Platform - Puntex Classic®

Hits: 1,865

Description: Puntex Classic® is a complete Internet management and delivery platform for operating a P2P (Person-to-Person) betting exchange. Puntex Classic® handles all standard and special bet types to run a successful Internet Person-to-Person betting exchange. On a dedicated installation, the system is capable of processing approximately 5,000 bets per minute.

The software runs on a Windows 2000 Server or Windows 2000 Advanced Server with IIS 5.1. MS SQL Server 2000 is used a back-end database.
