Commerce Pro Lite

Hits: 6,811

Description: Commerce Pro Lite is the freeware version of [Commerce Pro](http://www.hotscripts.com/Detailed/92.html). It is a fully functional shopping cart, without the the SSL order checkout and the SSL Order pickup utility. So, you are forced to run the store unsecured and your customers information are forced to be sent via email. This is meant to be an evaluation copy free of charge.
