## Click&Rank

Hits: 1,685

**Description:** This is a full ASP script that can be used for different homepage needs, such as for a TOP-List or TOP-Site integration. Start your own TOP-List! An ideal use would be a listing of music hompages or banner advertising in which visitors' clicks are counted for ranking the pages, links, banners or sites. User can post an ad with banner or plain text. Comes with an image uploader to web server. Full Administration Control Center.
