Directory Pro

Hits: 3,202

Description: Directory Pro contains three powerful scripts which allow you to create your own fully customisable, Internet website Directory including search functions. If you manage a large links list then Directory Pro can make your life easier. Catagorise and sub-catagorise, add, review and remove sites easily. The Trade-only option allows you to list only sites that have linked back to you, you dont have to check for a link back, the script does it before the site is submitted.

Resource Specifications

Platform(s):	Unix, Win NT/2000
