# Comdev Guestbook

Hits: 4,988

**Description:** Comdev Guestbook is designed to gather unsolicited reviews from your website visitors. We have designed it to be simple and easy to plug into your web design page without much effort of layout customization. Among the features supported are:- Anti spam with image verification, block IPs and words, customize your own Guestbook form fields, HTML or text editor, enable visitor to post and write comments and add background music to spice up your site. We provide installation support as well. Download our FREE TRIAL and get Comdev Guestbook today!
