Description: Hyperboards is home to the greatest and fastest growing message board hosting service in the world. Think we're joking? Think we're exaggerating? Well, we think that if you take a few minutes to sit down and truly explore what our service has to offer, you'll begin to agree with us, and soon you too will be calling this place home.

By registering with us, you get a free remotely hosted message board, that supports unlimited members, categories, threads, polls and posts complete with full customization and the ability to create skins or choose premade ones and add custom templates to it using HTML and Javascript.
