FlashFolio

Hits: 3,548

- Description:**
- Up and running in less than a minute
 - You only edit one .txt file
 - FlashFolio™ Customizer included in the package
 - Unlimited color customization
 - Unlimited content capability
 - Automatic layout resize
 - No skills or software required
 - Only 6 Kb

All the contents (image and text) are loaded in realtime, FlashFolio™ weights only 6 Kb and for every picture loaded you'll see a real and fully functional preload bar.
