MSSQL Server database-only hosting

Hits: 694

Description: A 50Mb MSSQL database on dedicated Microsoft SQL Server 2000 database servers, accessible via an external IP address from any website - you don't need to host a website with www.tele-pro.co.uk. Ideal for ecommerce and business websites which require a high-performance database storage solution. Full Enterprise Manager access, web-based control panel. Less densely populated servers, Daily Backup, 50Mb data storage included, unlimited storage available. No Setup Fee, 28-day money-back guarantee.

Resource Specifications

Version:	1
