## Coin Toss Game

Hits: 1,724

**Description:** Allows you to host a free 'coin tossing' contest where players guess the outcome of the computer's random coin tosses ("heads" or tails").

You award the player(s) with the highest weekly score with your choice of prize(s).

This script was designed to encourage repeat visits to your website while allowing you to promote your products and services. You can even display banners throughout the game for the purpose of earning traffic or income.
