Cascading selects

Hits: 3,975

Description: The script creates dynamically a set of select elements: the range in each following is related to the selected option in the previous one. An example of array generation from a database is now included. A new version with flexibly expandable input data in JSON form has been added.

Resource Specifications

Version:	1.1
Platform(s):	linux, windows, osx
Date Added:	Mar 19th, 2005
Last Updated:	Oct 1st, 2007
