eDocStore

Hits: 19,049

Description: A 'no fuss - no frills' online document management and organisation system. eDocStore organises and stores your presentations, articles, statistics, sales literature, photos, drawings, reports, pictures, analyses, marketing material and any electronic document in your intranet, extranet or website. Preview documents of any compatible format in a web browser, including PDF, Microsoft Office, Open Office, RTF, JPG, GIF, etc. Download and access your information where you need it. Online support always available. With eDocStore you will experience easy, cost-effective document management and organisation on the internet, your intranet or extranet.
